Dear Mr. Golditch,

It has been brought to my attention that "Gilbert" is no longer employed at Galatoire's. Gilbert is the personality that makes (made) Galatoire's unique from every other restaurant in the city of N.O. Why would I want to come to Galatoire's as a regular

BYB

Customer without "Gilbert" being there
I don't think so! I hope the
board realizes the asset and
following Gilbert has been to
the success of Delatorre's. I am
sure he can get a writer's job
anywhere. But he makes
Delatorre's a delight and
unique - and makes one want
to spend + enjoy. Regards
Kay
