"Even My Failures Are Edible."

April 30, 2002

Dear Mr. Ansel,

I was saddened to hear about Gilberto Eyzaguirre's termination at Galatoire's Restaurant. We have very much enjoyed having Gilberto as our waiter. He always made us welcome and the attention he gave us made us feel as #1 customers. He has been very polite and gentle with us.

I'm writing this to ask the board to please reconsider his employment. It won't be the same without Gilberto.

Sincerely,
Betty De Brucka
