

May 2002

Dear Sir -

My wife and I have been going to Galatoire's for many years, occasionally by ourselves but more often with groups of friends. In all these years, Gilberto Eyzaguirre has been our waiter. Knowing him as we do, we are certain the circumstances that led to his dismissal were based on some misunderstanding, and we urge you strongly to request that he be re-hired. Thank you for your time.
