

Dear Board Members,

I have been a patron of Molatsier's for almost Twenty years, and have always enjoyed the food and the service.

Having Gilbert as my waiter was an extra treat, his personality and quick wit made the experience even more enjoyable.

I was saddened to hear of his termination and felt that I should bring this to your attention. I too am in business and realize that employee relations are not only maintained, however it seems such a shame to lose a great asset to your restaurant as good employees are hard to find!

Thanks,

John Bontle
