Dear Members of the Board of Galatoire Restaurant

I was extremely disappointed to hear that my favorite waiter at Galatoire : Gilbert is no longer part of your wonderful staff.

Gilbert has always been a very courteous, efficient and attentive waiter. I always feel very comfortable coming to Galatoire and being service by waiters that have taken care of me for years. He is a bilingual waiter which now a day is such a great asset since many of my Latin American friends feel more at home knowing that someone that speak Spanish would take care of them.

I urge to reconsider having Gilbert as part of your staff and let the tradition continue.....

Sincerely yours,

Margarita Bergen
