Board of Directors
The Galatoire Family

Gentlemen:

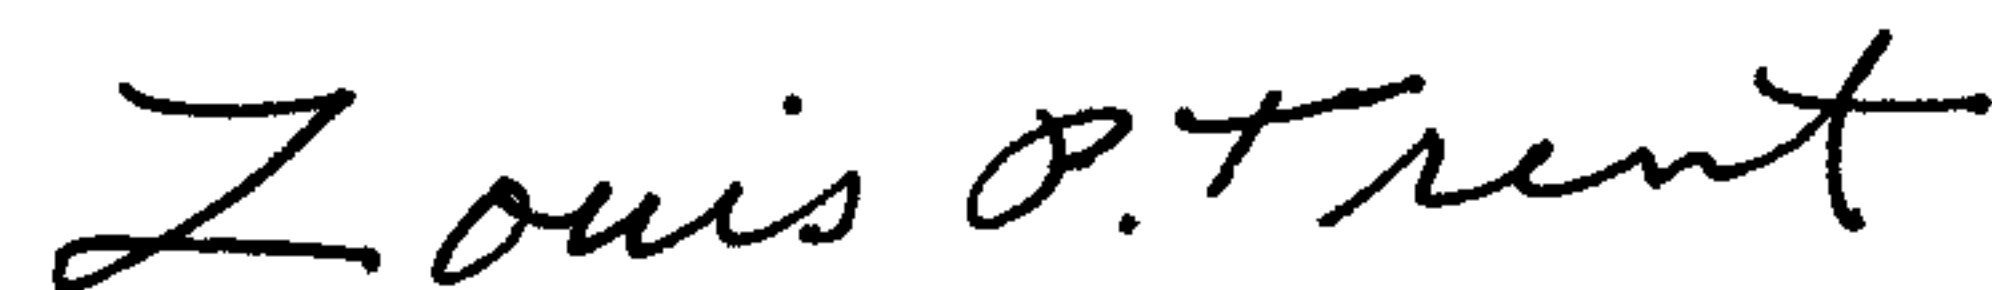

I write this letter of behalf of Gilberto Eyzaguirre, former waiter at Galatoire's Restaurant.

I have known Gilberto for over twenty years. He has always been an outstanding waiter and has served my family and friends during our visits to your Restaurant. He was very personable, capable, knowledgeable, efficient and catered to our requests and needs. He has assisted in making our dining experience at Galatoire's an adventure and a very pleasurable experience.

I would personally request that the restaurant reconsider its decision regarding Mr. Gilberto, and reinstate him as a waiter in your fine restaurant.

Thank you very much.

Yours very truly,

Louis P. Trent
