

"I HAVE NOTHING
to DECLARE except
MY GENIUS."

May 16, 2002

Dear Sirs,

Gilbert Syzaguine has
served my family many
years and has always
been comme il faut.

This time honored,
magical place possesses that
certain je ne sais quoi
and so does Gilbert.

Galatines has an energy
that may not exist any
where in the western world.
And Gilbert helps it to
flourish.
