Dear Dr. Holditch,

Recently I was informed that Gilbert was no longer a member of the Galatoire staff. This came as a great disappointment to me seeing that over the last 20 years he has probably waited on my friends and me a couple of hundred times.

Having been in business over the last 25 years, I'm well aware of the headaches of management. Although Gilbert is probably not a perfect employee, I've yet to find too many, he does appear to be loyal, and also popular with many customers. Hopefully these two things will be enough for you to bring him back on board.

I've enjoyed many wonderful meals at Galatoire's, and look forward to many more in the future. Best of luck to you and your staff.

Sincerely,

Frank Maselli
