RE: Gilberto Eyzaguirre
DATE: 2 May 02

I was sorry to learn that Gilbert is no longer with Galatoire's. He had been my waiter for almost fifteen years and was always efficient, friendly and courteous under all circumstances.

In taking care of our needs at Galatoire's table, with me, my wife, my sons and their wives, my daughters and their friends, his behavior has always been entirely appropriate and his service exemplary.

Most sincerely,

Edward B. Robert, Jr.
