Dear Gentlemen and Ladies:

I was very distressed to learn that Gilbert is no longer employed at Galatoire's. Whenever my family and I eat at your restaurant, our dining experience is enhanced by having Gilbert wait on us. Somehow the food is never as good when he is unable to serve us. I hope the Board will reinstate him so that he can continue waiting on us and our family for years to come. I understand that he has been a waiter at Galatoire's for twenty-two years. Personally, I think he is one of the best waiters I have ever encountered and is one of the personalities that makes your establishment unique.

Sincerely,

Lynne Rothschild Stern
