Board of Directors, Galatoires's Restaurant

Dear Sirs,

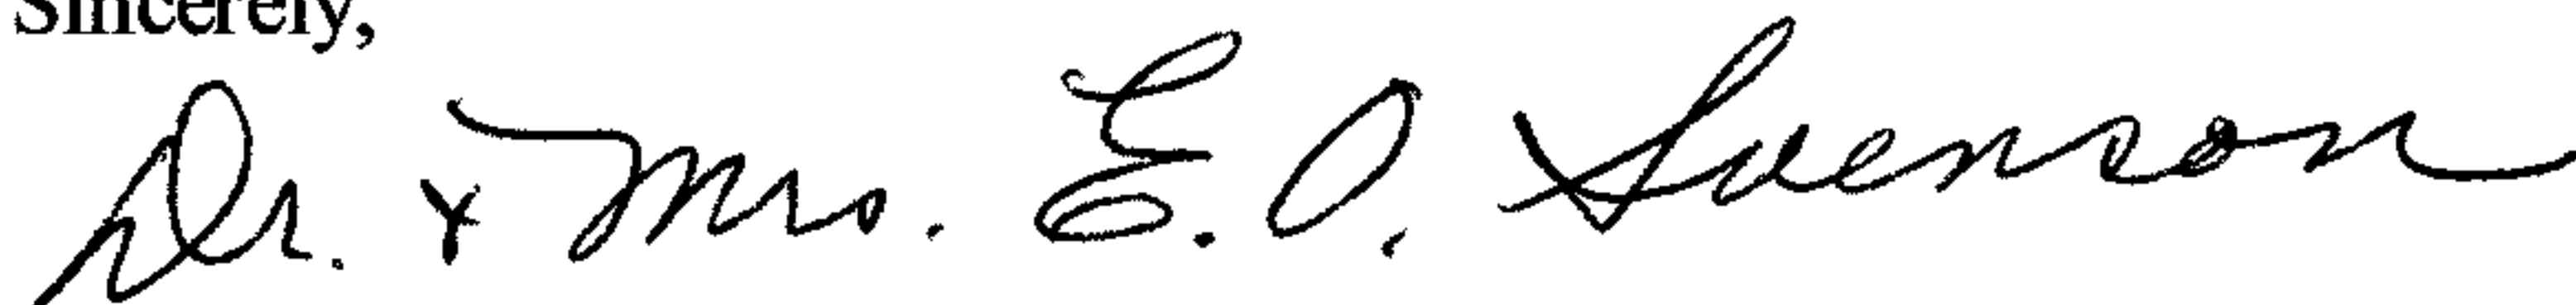

We have recently been informed that the waiter, Gilbert, was dismissed from his position at your restaurant.

Gilbert has been our waiter for many years. He has always provided us with very polite and courteous service. We considered him a friend as well as our waiter. We are shocked and distressed about this unexpected firing. We have always considered him being one of the top waiters in the city and enjoyed his efficient service.

We would hope that the action taken would be reconsidered and give us the pleasure to again be served by him.

Thanking you for your attention to our request that he be reinstated.

Sincerely,
